GPS WARNING: If you enter our postcode into a sat-nav it'll bring you out in the middle of Butterwick village which is wrong! Our farm is situated halfway between Butterwick and Foxholes - as shown on the map below.

Boythorpe Farm has two entrances - one of them is closed and unused. *Please use the entrance nearest the double bends, on the 'Butterwick village' side of the farm.*

As you follow the driveway up you will see a brick archway on your right hand side.

Unless you are in a large vehicle, pass under the archway and drive along for a few yards, then turn right down a slope and into our car park.

If you are lost and cannot raise us on the numbers listed above then you can try (01377) 267229 and ask for directions.
